State Director Message

Dear Advisors,

Congratulations! Your students have worked hard this year and are prepared to attend the 2025 SkillsUSA National Leadership & Skills Conference (NLSC) in Atlanta. On behalf of our state association and board of directors, thank you for your dedication as an advisor to help fulfill the SkillsUSA mission of empowering members to become skilled professionals, career-ready leaders and responsible community members.

On June 23-27, 2025, we will enjoy an incredible national conference week in Atlanta. I know you and your students will make us proud. The NLSC offers an opportunity for every student and teacher. Competitors in the SkillsUSA Championships will represent our state as the best in their skill areas. Our State Delegates will conduct the business of the organization and make decisions for the future of SkillsUSA as they grow their skills as outlined within the SkillsUSA Framework. Our advisors will grow their classroom toolboxes by observing the national competitions, networking with industry partners and attending professional development. All attendees can interact with our industry supporters through the competitions and the TECHSPO trade show and other events. Total attendance is expected to exceed 18,000 students, teachers, and partners.

This guide outlines the 2025 SkillsUSA NLSC in detail. It is essential that you take the time to effectively prepare both yourself and your students by reviewing this information very carefully. Students will succeed when they are informed in advance and feel well-prepared for this incredible opportunity.

Please review this document and reach out with any questions to me or to the SkillsUSA Customer Care Team at 844-875-4557. We look forward to being with you in Atlanta for the 2025 NLSC!

Sincerely,

Jackie Walker
SkillsUSA Ohio Executive Director

- Log on to the registration site and click the tab Conference>My Registrations.
- Select the event; SkillsUSA National Leadership & Skills Conference in the drop-down event menu.
- Participants previously registered for past state conferences may be copied to NLSC: Click the button Look Up Previous Regs at the bottom of the screen to locate registrations from a previous conference and quickly register for NLSC. *NOTE: This feature will only work if all membership invoices are paid in full for your school. You must ensure all data and registrant type are carried over to the NLSC record accurately.*
- Click the Add Registrant button at the top of the screen to manually register new attendees. Follow the prompts. Be sure to select registered members from the drop-down name list. **Only manually type names of attendees who are not members at the school.**

Individual Registration Records

- Complete all the information in each individual registration record. It is critical to provide accurate birth dates for competitors, onsite emergency contacts for all participants, and complete the Americans with Disability Act (ADA), Education and Dietary accommodations section if applicable.
- If applicable, in the Add-On Events section, select Leverage (pre-conference for state officers) or Community Service (advisors and students). Additional registration fees apply to the Leverage pre-conference event.
- Your state may be offering other add-ons. In the Optional Fees section of each individual registration record click the button Add to display a list of possible options. Select the quantity and click Save.

- **ADA/Education/Dietary Accommodations**- If the attendee needs accommodation, the advisor should check the boxes that apply in each section. **Only check the boxes or add information in the Details screen if an accommodation is needed.** Otherwise, please skip this section. A blank hard copy of the Conference Registration and Liability form can be printed and handed out to attendees to collect the accommodation information. See information on the form below.
- Once names are added and individual registration records are completed click the **Submit Registration** button to validate your registration information and to issue an invoice if your state is using the invoicing in the system. **NOTE:** Once a name is added to the site, they are considered registered regardless of whether the Submit Registration button was clicked. **Be sure to advise your state director before the registration deadline of anyone who is no longer attending.**

Conference Registration Liability and Release Form

- The Advisor is responsible for providing the Code of Conduct to students and other attendees they register. Provide the hard copy registration and liability form and return to the individual registration record to check the box in the attestation section next to I agree. See bullet below on how to access and print a blank fillable NLSC form that can be given to attendees.
- Once the name is registered, click the FORM link displayed to the left of the name *for a copy of the completed online Code of Conduct and Liability form for individual attendees.*
- A **blank fillable NLSC form** can be printed ahead of time and given to the participant to fill out or have a parent sign. The ADA/Education/ Dietary questions will be part of the online form. Click the tab Conference > NLSC Conference Liability and Release Form. The form should then be returned to the advisor or designated school person to enter the data.

Home Address

You must provide a home address for competitors. Competitor awards and corporate gifts may be mailed to home addresses.

Emergency Contact

Emergency contact information is required for all participants.

Name Badges

Name badges must be worn to be admitted to all NLSC functions. Please remind your students to remember to have their badge before leaving the hotel to avoid a return trip back to the hotel. Please attach collectable pins to lanyards and not directly on the badge holder. All information displayed on the badge must be visible.

Cancellation and Refund Policy

Schools are responsible for paying for all registrants that cancel after the registration deadline. Cancellations made after the deadline are not eligible for a refund/credit.
