|                  | Tool List   |                  |   |  |  |
|                  | Coping saw  |                  |   |  |  |
|                  | Two #2 pencils/Sharpie Marker   |                  |   |  |  |
|                  | Claw hammers (1 trim and 1 framing)   |                  |   |  |  |
|                  | Calculator  |                  |   |  |  |
|                  | Combination square and/or speed square  |                  |   |  |  |
|                  | 1 pair of slip joint pliers   |                  |   |  |  |
|                  | 1 set of nail sets  |                  |   |  |  |
|                  | Cat's paw nail puller   |                  |   |  |  |
|                  | Tape measure  |                  |   |  |  |
|                  | Framing square  |                  |   |  |  |
|                  | Utility knife   |                  |   |  |  |
|                  | 10-point crosscut saw   |                  |   |  |  |
|                  | Chalk box and line  |                  |   |  |  |
|                  | Hard sole work boots/shoes  |                  |   |  |  |
|                  | Gooseneck pinch bar   |                  |   |  |  |
|                  | Safety glasses and hard hat   |                  |   |  |  |
|                  | Cut proof gloves  |                  |   |  |  |
|                  | Combination wood rasp and file (4 in 1)   |                  |   |  |  |
|                  | Carpenter's tool pouch  |                  |   |  |  |
|                  | 25' extension cord (UL approved grounded)   |                  |   |  |  |
|                  | 2–10" C-clamps/2–6R clamps  |                  |   |  |  |
|                  | Ground fault circuit interrupter  |                  |   |  |  |

|                      | Hand broom and dustpan   |   |  |  |  |
|----------------------|--|---|--|--|--|
|                      | Straight aviation snips or metal cutting snips   |   |  |  |  |
|                      | Block pane   |   |  |  |  |
|                      | Screw gun and variable speed drill   |   |  |  |  |
|                      | Two-foot level / Four Foot Level   |   |  |  |  |
|                      | Tip holder and two #2 Phillips tips for screw gun  |   |  |  |  |
|                      | Chisel set (1/4" – 1")   |   |  |  |  |
|                      | Portable sawhorses   |   |  |  |  |
|                      | Hand screwdriver set.  |   |  |  |  |
|                      | Power circular saw with new carbine – tipped blade   |   |  |  |  |
|                      | Putty knife  |   |  |  |  |
|                      | Drill Bits   |   |  |  |  |
|                      | Hack Saw   |   |  |  |  |
|                      | Drywall T-Square   |   |  |  |  |
|                      | Drywall saw  |   |  |  |  |
|                      | 2 Quick Grip Clamps  |   |  |  |  |
|                      | Stair gauges (optional)  |   |  |  |  |
|                      |  |   |  |  |  |
|                      | *Two Compound Miter Saws will be supplied for community use if needed. No  |   |  |  |  |
|                      | other tools or reference materials are permitted. If a contestant is using any   |   |  |  |  |
|                      | tools that are not included on this list, it will be considered an unfair advantage  |   |  |  |  |
|                      | and that contestant will not be permitted to use them. All tools must be in good   |   |  |  |  |
|                      | working order. Any tool considered unsafe or not in good working order by  |   |  |  |  |
|                      | judging staff will not be allowed to be used. Safety glasses, hard hats, work  |   |  |  |  |
|                      | boots and a ground fault circuit interrupter are required for each contestant.   |   |  |  |  |
|                      | I boots and a ground fault circuit interrunt   | er are required for each contestant   |  |  |  |
|                      |  |   |  |  |  |
|                      | Suggested use of appropriate work glove  |   |  |  |  |
