- Personal Tools:
- Each team must provide one flash drive of sufficient size to submit their video. All videos will be exported using the H.264 codec and submitted on the team’s flash drive for judging at the end of the competition. Points will be deducted for incorrect file type.
 - Flash drives will NOT be returned.
- You may only use one (1) computer for this contest – either desktop or laptop. Please note that this is different than Digital Cinema Production, due to difference in the National Standards for the contests.
- You may use one camera for this competition – video, DSLR or mirrorless. Please note that this is different than Digital Cinema Production, due to differences in the National Standards for the contests.
- Basic camera mounts/support. Only tripods/monopods or simple hand-held stabilizers (including Ronin-S). No large active stabilizers such as the DJI Ronin or Freefly Movi, or dollies, jibs/cranes, or drones. Manual sliders up to 24” will be allowed, but no motorized sliders.
- Only camera-mounted lights will be allowed due to space restrictions in the contest area and convention center.
- Any necessary audio equipment/microphones.
- 1 UL listed grounded extension cord – at least 25’.
- Surge protector power strips sufficient for the team’s equipment.
- If contestants want to bring their own music beds/libraries, then a printed copyright permission letter from the copyright holder must be submitted with entry. A blanket letter from a music library may be used. In lieu of a letter, a copy of the receipt for the purchase or lease of the library may be submitted. Videos containing music not properly licensed will result in severe point reduction. Note: Contestants may also create their own music during post-production.

Contest Notes, Themes, & Deadlines

- Instructors and advisors are not allowed in the hall or contest area during setup.
Please make sure students can log into computers when NOT connected to your school network. Often, IT departments set up the computers with network accounts only, and students can’t log-in when not connected to your school network. Check with your IT department if you are not sure. We have had students not be able to compete because they could not log-in to their computers.

	<p>Please make sure any apps you intend students to use especially ADOBE apps, are able to be accessed while the computer is OFFLINE- NO INTERNET ACCESS is available to verify Adobe accounts.</p>
